UX/UI Designer and Frontend Developer with 7+ years designing and building digital products, specialized in websites and eCommerce. Grew from Web Designer to Product Expert and led web projects for 50+ retail, wholesale and B2B clients. I combine design, frontend development and product thinking: I gather business needs, manage expectations and turn them into scalable solutions.

EXPERIENCE

Adhoc

2024 – 2026

Odoo consultancy

Product Expert · Odoo Website & eCommerce

Apr 2026 – Oct 2026

- Led the technical-functional area of Website & eCommerce, solving 70+ product cases (customizations, Payway and Mercado Pago payment gateways, Andreani and Envia.com shipping, stock and catalog).
- Designed the company's web implementation methodology: process, discovery questions, standard deliverables, estimates and scoping quickstarts.
- Proposed a library of reusable snippets packaged as Odoo modules and collaborated on AI agents and skills that create custom web blocks, cutting hours per project.

Web Designer & eCommerce Developer

Jun 2024 – Oct 2026

- Led end-to-end web projects for 50+ retail, wholesale and B2B clients (OneClick, Kion, Axel SA, among others).
- Managed the full cycle: discovery, scoping, UX/UI design, frontend development (HTML, CSS, JavaScript, QWeb), eCommerce setup, go-live and support.
- Led the rebranding of Adhoc's corporate site and its versions for Spain, Chile and Uruguay, with lead-generation forms integrated into the CRM.

Air Computers

Jan 2024 – Jun 2024

Grupo Air

UX Developer

- Designed and built responsive interfaces from Figma prototypes with HTML5, CSS3 and JavaScript.

Brunetti Hermanos

2019 – 2023

UX/UI Designer & UX Developer

Apr 2020 – Dec 2023

- Led end-to-end UX/UI design of the catalog and eCommerce sites for Argentina and Spain, on desktop and mobile, on WordPress and Magento.
- Conducted user research, redesigned the information architecture and created Figma wireframes and prototypes validated with stakeholders.

Graphic & Web Designer

Apr 2019 – Mar 2020

- Designed digital and print pieces and managed the online product catalog.
